Dance, injuries & health

Is dancing your favourite thing to do? But do you have a dance injury or other complaint? The care providers of the Dance Medical Care Network can help you.

+ 31 (0)73 553 35 53

Monday to Friday from 8am to 5pm

Questions and contact Contact us by our contact form (https://www.jeroenboschziekenhuis.nl/dans/contact-dansmedische-zorg)

Our Network is throughout the Netherlands. Our clinicians have a lot of experience treating dancers and you can contact us with any questions regarding dance injuries and health. We understand that you want to be helped quickly and that you don't just want to miss a performance. We will help you get the best out of yourself and enjoy dancing again.

Find the care that suits you

Is dancing your favourite thing to do? But do you have a dance injury or other complaint? Find the care that suits you:

Go to: www.dansmedischezorg.nl (https://www.jeroenboschziekenhuis.nl/dans)

Read our website in English

Read www.dansmedischezorg.nl (https://www.jeroenboschziekenhuis.nl/dans) in English:

1. Select the text you want to translate;
2. Choose the option ‘vertalen’;
3. Select your language.

If you wish to view the page on your phone, then the above steps may not work. Please switch to a desktop computer to translate this website.

Who we are

The Dance Medical Care Network is an initiative of the Sports Medical Center of the Jeroen Bosch Ziekenhuis (https://www.jeroenboschziekenhuis.nl/dans/naar-de-sportarts-revalidatiearts-of-orthopedisch-chirurg-voor-dansers/dansmedische-zorg-bij-het-sport-medisch-centrum-jbz) and Joost van Megen, former health coordinator of the ArtEZ Dance Academy. We bring the dancer and the medical professional together. We provide high-quality treatment by professionals with extensive experience in dance medical care across the Netherlands.
